PROFILE

Enthusiastic and dedicated Junior Software Engineer with a proven track record of excelling in a fast-paced team environment and a passion for solving complex problems through code.

Demonstrated ability to quickly grasp new concepts, programming languages, and frameworks. Eager to learn from experienced professionals and contribute positively to the growth of a development team.

EMPLOYMENT HISTORY

Jr Software Engineer, Kaseya   Dundalk

Mar 2023 — Present

- **Developed and maintained** a data-driven internal tool to streamline and enhance the R&D department's workflows, enabling efficient access to critical metrics and trends.
- **Integrated multiple external APIs** (e.g., Jira, Bamboo, ZenDesk, Microsoft) to centralize and visualize data, allowing R&D leaders to monitor project progress, manage tasks, and identify issues.
- **Automated** the fetching and syncing data process, to replace manual workflows, ensuring data consistency and optimizing resource utilization.

EDUCATION

Computer Engineering, Universidad de Deusto   Bilbao

Sep 2017 — Sep 2022

Exchange Semester, Creighton University   Omaha

Aug 2021 — Dec 2021
